ROSES

for

1950

This year we are happy to present you again, as we have each season for nearly 30 years, a representative list of varieties we know are best for growing in your local gardens.

As always, our rosarians will be glad to help you with your selections and with your Rose problems, too.

For assistance in preparing the ground, planting the Roses and caring for them afterward, read our new booklet WHEN, WHERE and HOW TO PLANT. It's yours for the asking.

We suggest making up your order from this list. You may leave order at office or with salesman or, if more convenient, put in mail.

Prices listed are for bare-root Roses. Winter and early spring delivery.

A 10% Discount is allowed on purchases of 10 or more BUSH ROSES if delivered at one time to one address.
